About me

I'm contract / freelance front-end web developer & digital artist with over 10 years of commercial experience. I work creatively and professionally to clients' detailed specifications, to produce eye-popping, innovative and thought-provoking web solutions. Working out of Brighton & London, a vibrant hubs of technical and creative innovations on the UK's south east. I collaborate with individuals, small to medium businesses, startups, digital agencies ([Mark Design](#), [Perfect Day](#), [Brand42](#), [Felix&Friends](#), [Tilt](#), [Harmonypark](#), [Wild Dog Design](#), [Hike Design](#), [Hingston Studio](#), etc.) and other freelancers – boasting a diverse portfolio of clients who value and trust the high quality, artistry and consistency of my work.
